Charalabos Kolokouris

Full-stack Developer @ Adrestia R&D | Master of Science, Computer Software Engineering
Irákion, Crete, Greece

Summary

As an MSc student at the Hellenic Mediterranean University, I am passionate about exploring the potential of software engineering and computer intelligence. With three years of experience as a Full Stack Developer, I have honed my skills across a variety of projects, continuously seeking out opportunities for growth and innovation. Currently, I am working at Adrestia R&D, where I apply my expertise in both frontend and backend development to create impactful solutions. My previous experience includes teaching a Computer Organization Workshop at HMU, where I contributed to the academic community.
